**Subject: Psiber Data WireXpert™ Approval**

Effective immediately, Prysmian Group is pleased to announce the approval of the WireXpert WX-4500 in conjunction with the Draka UC Connect cabling system.

The WX-4500 in our evaluation versus the Prysmian Group network analyzers, proved reliable and consistent with all unshielded and shielded Draka UC Connect cabling systems.

The WireXpert is approved for all Draka UC Connect system products in channel, permanent link & CP link configurations against the most up to published international standards.

The following configuration of WireXpert is required.

WireXpert Software version 6.0.5 or later  
 eXport Software version 6.0.5 or later

Channel testing for Category 6A/Class EA, Category 6/Class E and Category 5e/Class D	WX_AD_6A CH2
Permanent Link testing for Category 6A/Class EA, Category 6/Class E and Category 5e/Class D	WX_AD_6ALKIT2
Multimode Fibre	WX_AD_VCL_MM2 WX_AD_EF_MM2
Singlemode Fibre	WX_AD_SM2
MPO/MTP Fibre	WX_AD_MM_MPO_KIT WX_AD_EF_MM_MPO_KIT

Please update the Psiber Data web site and documentation to acknowledge approval.

We will be notifying our global listing of authorized installers of this approval.

We look forward to continuing to work with Psiber Data in the future to evaluate new generations of products as they become available.

Yours sincerely

Lee Stokes
